

**BelPastry** has been a leader in frozen puff pastry products for over 25 years. Produced in Europe, we offer everything pre-proofed from classic croissants, to danishes and other pastries with sweet or savory fillings. Nothing could be easier than take and bake!

**Blue Sea** is a manufacturer of a complete line of cooked, raw, and breaded shrimp products. We also produce a full line of specialty shrimp skewers, squid and scallops.

**Brian's Fabulous Fry Bread** is hand made, pan fried and frozen. It can be heated and served in minutes without the mess. Whether you call it a fried dough, elephant ear or a dough boy, everyone loves the taste. Makes a perfect individual pizza crust. Now also serving zeppoles!

**Country Pure Foods**-We take pride in our ability to work closely and collaboratively with companies both large and small to manage their juice and packaging needs. Our growing list of well-respected customers is proof of our dedication to quality, competitive pricing and knowledgeable customer service. From K-12 to healthcare and concentrates, we know the juice needs of our customers.

**Deli Brands of America** is a family owned company specializing in superior deli meat products as well as a full line of freshly prepared, pre-cooked products for discerning restaurants and retailers.

**EZ Wings** chicken lollipops are the perfect appetizer or passed hors d'oeuvres. These French cut wings come to you raw, IQF. Simply bake or fry, sauce, and serve.

**Gardein** offers delicious meatless, and vegan foods, including burgers, meatless chicken, & more. Our food tastes good, is good for you, and good for the planet.

**GariMark Foods**-We produce premium to value priced further processed ready to cook and fully cooked products. Our product line includes chicken fillets, tenders, fritters, nuggets, strips and wings. Market our label or let us produce under yours. We are large enough to handle your needs but small enough to provide the flexibility you want.

**Girard's** had its beginning in San Francisco in 1935 with a recipe for Girard's Original French Dressing created by Wilfred L. Girard. The Brand has expanded over 40 years and is now a leader in the development of unique cooking sauces, salad dressings, dips and marinades. Quality is unmatched using fresh or IQF ingredients without preservatives.

**InHarvest** offers premium selections of whole grains, rice and legumes for signature menus. Clean, high quality, unique products and responsible sourcing are the foundation of our reputation. Our culinary team offers on-line recipes to enhance your plate presentation

**Junior's Cheesecake and Desserts** are what all desserts aspire to be. A 60 year old family business, we are, quite simply, the best New York has to offer.

**Peppers Unlimited**—Hotshots in hot sauce, we specialize in made-to-order blending. Named for our limitless production potential and volume capacity—from sourcing fruit to filling tankers—we do it all, and we do it best. Guaranteed you've enjoyed our tasty blends. A family affair in the heart of Cajun country since 1910—we *know peppers!*

**NPE Safest Choice™** Pasteurized Shell eggs eliminate the risk of Salmonella. Our patented egg pasteurization process ensures that your shell eggs are safe to use any way, even under cooked or raw

**Traditional Breads** offers a full line of par-baked, as well as thaw and serve, rolls rounds, breadsticks, ciabattas, artisan breads and more. Your concept. Our craft.

**White Coffee** is a third generation, family owned coffee roaster dedicated to bringing our customers the finest gourmet coffees available.
